To whom it may concern,

This letter is to confirm that Sustenuto is actively supporting the re-certification of the product *Pandser and Premiumfol EPDM* to C2C Certified® Circularity Bronze under Version 4.1. The product is certified by Berdal, and the re-certification process is being carried out on their behalf. The process is currently underway, and all required documentation is being collected for final submission to the Cradle to Cradle Products Innovation Institute™. Throughout the re-certification process, the current certificate will remain available online, ensuring uninterrupted access until the newly issued certificate replaces it.

Sincerely,

**Liselotte Buring**
